

The Original Demolition Power

INVITATION
BAUMA APRIL 19-25 2010
New Munich Trade Fair Centre, Germany

Innovating. Not imitating.

INTRODUCING: AN ALL-NEW BROKK!

This year, Brokk will show Bauma why we continue to be the world's leading supplier of safe, efficient and profitable demolition. We introduce a brand new model, packed with impressive power in a surprisingly small package.

Welcome to stand N609/2 (open-air area north F6) on the 19th of April at 11.00 am for the world premiere of the new Brokk.

Of course, you can visit our stand at any time for a personal presentation and an opportunity to take advantage of Brokk's exclusive exhibition deals. Go ahead. Go Brokk.

See your new Brokk at **N609/2**
