Brokk contracts new distributor in Norway

Brokk AB, the world's leading manufacturer of remote-controlled demolition machines has signed a distributor agreement with Pentrunder Norway AS in Norway as of January 1st, 2010. The new signing ends a 14-year-long collaboration with Husqvarna Construction Products (previously Dimas).

Pentrunder Norge A/S office is located in Askim, 50 kilometres from Oslo. Service and spare-parts sales will continue to be handled by Gronvald Maskinservice AS.

Brokk AB look forward to working together with Pentrunder Norway for sales and service of Brokk machines in Norway. Pentrunder Norway has a great team with vast experience in the industry. And like us at Brokk, they have a strong desire to solve the customers' challenges using the best solution available.

Brokk AB would like to thank Husqvarna Construction Products in Norway for a good cooperation during all these years.

Martin Krupicka
CEO, Brokk Group
